

Prep_Evening_Schedule1

Preparation Evening

Date: 22.08.2025

Start time: 17:00

Total duration: 5h

Day 1–2–3 catch-up

- Review commands: `nano` , `cp/mv/rm` , `chmod/chown...`
 - Repeat mini-lab (project folder structure)
 - Write short summary in Notion (5–10 lines)
-

Day 4 Overview

- Read basics: `users/groups` , `adduser` , `usermod`
 - Just overview, deep dive tomorrow
-

Extra Linux practice

- Create 2–3 files, change permissions/owners, check with `ls -l`
 - Save outputs/screenshots for Notion
-

Repository organization

- Add README to each folder
- Prepare structure for Day4
